Subject: Presentation of your city/municipality

Dear Authority,

The International Observatory of Participatory Democracy in Africa (IOPD Africa) is a space at the service of African local governments, civil society organizations, universities and research centers that wish to deepen their knowledge and practices in participatory democracy, governance and local development.

As part of the updating of our online platform (www.oidp-afrique.org), the Observatory has launched the initiative "**I present my city**", aiming to present the profile of each African local government with experience in participatory democracy, in order to give them more visibility. Each municipality will have a dedicated page on the platform. In this regard, we ask you for your participation in this initiative by sending us a presentation of your municipality, according to the attached presentation form. Thank you for sending us back your presentation no later than **October 15th, 2021**.

For further information, please contact Mr. Khadim Rassoul GUEYE at khadimr.gueye@endaecopop.org or the IOPD Africa Secretariat at secretariat@oidp-afrique.org.

In this expectation, please accept my best regards.
